

Emily Schmidt is a 7 year old Waterford resident suffering from Non-Hodgkins Lymphoma. This disease requires a tremendous amount of treatment and resources. She is currently at Cincinnati Children's Hospital receiving treatment.

Her church is sponsoring a 5k or 1 mile fun run or walk Saturday, October 24. All proceeds raised from the "***Trunk or Treat Trot***" will be directed to a designated fund for Emily.

Thank you for being part of this very special cause. Emily's family, church family and community sincerely appreciate your generosity.
